General Assembly 2010

The General Assembly of the Church of God in Angola met last month in Viana Km-9 near Luanda. Delegates attended from four provinces including Luanda, Benguela, Cabinda, and Moxico.

Delegates from Benguela and Cabinda

The General Assembly established the following objectives for the coming year:

- Renew effort to have the church registered with the Ministry of Justice in Angola. Registration of the church has been in this process for a long time. The church has been recognized in the National Institute for Religious Affairs publication, entry N° 573, but not yet in the Diario de Republica, the official publication of the government of Angola.
- Encourage evangelism in following the Great Commission (Matt. 28). One primary ministry objective is Church Growth into the provinces through evangelism and discipleship. Resources are needed to reach the lost and bring them into the Body of Christ.
- Leadership and pastoral training is urgently needed.
- Reactivate church in Barrio Coragem in Viana Km-12. This church had closed a few years ago and there is a desire to open the doors again and reach out to those who need Christ.

- Obtain a parcel of land for church in Benguela. The church is meeting in the home of the pastor which has very limited space. For the church to evangelize and grow, a new facility is needed to accommodate new members and visitors.

Delegates from Viana near Luanda

As many of you know, we had been in much prayer about our return to Angola to work with the church here and are thankful that God has opened a door for both of us to return.

We have been fortunate to have a place to stay with some friends and we grateful that they have opened their home to us. Our need now is to acquire a car to enable us to commute and work at the church. We are dependent on others for transportation of the 20km to the church in Viana.

Prayer Concerns:

- Registration of the Church of God in Angola
- Leadership training for the churches in Angola
- General Assembly objectives for 2010
- Locate a car for us to commute & work at the church.
