## News from the Church of God in Angola

Volume 2, Issue 3

October 2010

### Focus: Church in Viana

The church in Viana, Kilometre-9 is growing as new efforts to evangelize the community are underway. Members of the church have been handing out leaflets and invitations. We are encouraged to see visitors coming to the services and we pray that they will respond to the gospel message.

### Church of God Registration Continues

The Church of God in Angola continues its efforts in the process to complete registration with the Ministry of Justice in Angola. The remaining documents needed for registration are being prepared for submittal to the Ministry of Justice. We are still hopeful that the registration can be completed very soon.
